TARGA 32 COUPE

Model Targa 32 Coupe je baš na sredini game Targa brodova, između najmanjeg modela Targa 23 i najvećeg Targa 46. Vjerojatno je to najprodavaniji model zbog idealnih dimenzija (manje od 11 metara duljine x 3,35 metra širine) kao i zbog samog koncepta s dvije odvojene kabine s Fly verzijom i verzijom Hard Top bez Flya. Konačna verzija toga novog modela je premijerno bila prezentirana u siječnju Boot Dusseldorfu, a u Biogradu će Targa 32 doživjeti mediteransku premijeru.

Paspartu Yachts d.o.o. / info@paspartout.hr / www.paspartout.hr

The Targa 32 Coupe model is right in the middle of the Targa boat range, between the smallest model Targa 23 and the largest Targa 46. It is probably the best-selling model because of its ideal dimensions (LOA less than 11 m x 3.35 beam). Available in both Hard Top and Fly versions, the Targa 32 will make its Mediterranean premiere in Biograd.

NIMBUS 305 COUPÉ

Nimbus 305 Coupé imat će hrvatsku premijeru na 25. Biograd Boat Showu. Radi se o svestranom kruzeru, idealnom za obiteljske izlete na moru. Pouzdani motor Volvo, snage 270 KS, omogućuje udobno krstarenje i uživanje u samom putovanju jednako kao i u odredištu.

IZOXECO

Uz sve veći problem onečišćenja plastičnim otpadom naši oceani su pod velikom prijetnjom mikroplastike koja ulazi u morske ekosustave. Tračak sunca je na horizontu jer su Josip i Monika Šincek razvili međunarodno nagrađivanu tehnologiju koja plastiku koja se ne može reciklirati pretvara u građevinske materijale za inovativne proizvode poput njihovih plutajućih pontona.

With the ever increasing problem of plastic waste pollution, our oceans are under a huge threat from micro plastics entering the marine ecosystems. A ray of sunshine is on the horizon as Josip and Monika Šincek have developed international award winning technology that turns unrecyclable plastic into building materials for innovative products like their floating pontoons.
